

49th

International Conference of the Slovak Society of Chemical Engineering

MAY 15 - 18, 2023 | HOTEL HUTNÍK | TATRANSKÉ MATLIARE | SLOVAKIA

The conference is organized by the Slovak Society of Chemical Engineering with the assistance of the Institute of Chemical and Environmental Engineering FCHPT STU between May 15 - 18, 2023. The aim of the 49th Conference is the presentation of research results and engineering solutions in the area of chemical and biochemical engineering, and process control with the focus on rational use of energy, ecology, and risk management.

SCOPE OF THE CONFERENCE

Reaction engineering and catalysis
Bioengineering and biotechnology
Separation processes
Environmental engineering
Risk management and process safety
Renewable energy resources
Industrial process design and control
Momentum, heat & mass transfer
Material engineering

SPECIAL WORKSHOPS

WAS&BIO - Waste and biomass as sustainable energy and material sources
MULTI-PI - Multilevel process intensification
IRinGIFT - Green innovations in students' projects

STUDENT POSTER AWARD

- for students and PhD students
Participation of PhD students at the conference is welcomed.

#SSCHE2023

CONFERENCE VENUE

The conference will take place in Hotel Hutník situated in Tatranské Matliare in High Tatras.

CALL FOR PAPERS

Participants are invited to apply for oral or poster presentations. Participants are required to submit short description of the submitted contribution together with its title and preferred form of presentation (oral or poster). The program committee will select the final form of presentation and inform the authors about its decision. A book of abstracts and full-texts of the presented contributions will be provided on a flash drive. Contributions may be afterwards submitted for publication in scientific journal. Organizers would like to invite companies for promotion through an advertisement in the conference proceedings, on the flash drive, or within the promotion section during the conference. For further information on contributions, promotions and instructions for authors please visit the conference website.

IMPORTANT DATES

Registration & Contribution topic	March 10
Presentation form decision	March
Preliminary program	March
Abstract and fulltext submission	April 15
Contribution topic (poster only)	April 15
Early bird payment	April 15
Conference	May 15-18

CONTACTS

REGISTRATION

Registration for the conference is available online from 12th of December, 2022.

<https://sscheconference.sk>

Please note that it is necessary to create a personal profile to register in conference system.

CONFERENCE FEES

Registration fees before April 15, 2023

Regular participant	330€
Member of SSCHI	300€
Students	260€

Registration fees after April 15, 2023

Regular participant	360€
Member of SSCHI	330€
Students	280€
Accompanying person	60€

Full conference registration fee includes conference proceedings, access to the scientific sessions, coffeekbreaks and conference party. Accommodation including breakfast in Hotel Hutník costs 42€ per person per night in a double-bed room, or 49€ in a single-bed room. Price of lunch in the hotel restaurant is 10 € and dinner 12 €, respectively.

SOCIAL PROGRAM

All participants and accompanying persons are invited to attend the conference party which will be held at the venue on Tuesday, May 16, 2023.

TRANSPORTATION

Transportation is individual. There is a train connection between Bratislava and Poprad and bus connection between Poprad and Tatranské Matliare or train connection between Poprad and Tatranská Lomnica (town less than 3 km from the conference venue).

OTHER INFORMATION

For further information, please visit the conference website or contact organizers via email: sschi@sschi.sk or phone: +421 259 325 250
